2600 Ralston Avenue, Crocker Middle School (Lecture Hall)

To reduce wildfire risk in our community, the Town’s City Council approved a newly developed Wildland-Urban Interface (WUI) Program that provides residents with information on how to remove potential hazards capable of spreading wildfire to both homes and the community at large. The purpose of the program is to reduce the conditions that contribute to the risks of urban wildfires and create a fire safe Hillsborough.

TOPICS OF DISCUSSION

- Urban Wildfire Risk in the Town of Hillsborough
- WUI Fire Safety Program inspection process
- Maintaining/Modifying vegetation (fuel)
- Community Resiliency

Central County Fire Department staff are available to meet with you; please contact fire administration to set up an appointment (650) 558-7600.

For additional information, visit our website to learn why how to reduce the risk of wildfire to your home and community. http://www.ccfdonline.org/wui/
